

Dear Parents,

The children have accomplished so much this year. They have become enthusiastic readers, and we want to encourage their reading this summer.

We will be having a summer reading program. Each child is required to choose at least three books from the attached list. He/She will complete one large project, choosing from the four projects attached to this letter. The attached reading log/list is also required. Students will return the project and reading log to their 2nd grade teacher during the first week of school. The project will be graded and averaged into their Language Arts grade. Neatness does count!

Have a safe and relaxing summer break. We will see you in August!
